One golfer is required to play his own ball, while the other three play a scramble, adding the two scores together at the end of each hole. If you're chosen to play your own ball, you are the "Choker." Each golfer is required to be the "Choker" two times during the 18 holes.

Sat May 28, 4-Man ABCD: With hdcp, your 4-person team will use 1 ball on the par 3's, 2 balls on the par 4's, 3 balls on the par 5's, and all four scores on #9 & #18. You will play with one other player from your team, and two other players from another team.

Mon May 30, (Memorial Day) Extra Event: Best Ball, throw \$10 in a pot and go play.

Sat & Sun June 4 & 5, The Classic: The Classic will be a Calcutta. I will make the teams up approx. 1 week in advance, and then we will put the teams up for auction. The four person teams will use their own individual handicaps to determine how many points they need to accumulate on both Sat. and Sun. We will subtract your handicap from 36, and that's how many points you need to get on a daily basis. Your points will be off of your gross score. 0 pts for a double bogey or worse, 1 pt for a bogey, 2 pts for a par, 3 pts for a birdie, and 5 for an eagle or better. The lower your handicap, the more points you need to accumulate. The higher your handicap, the less points you have to accumulate. Each player can only be +4 or -4 for their points on each day. So, the worst you can finish is -8, and the best you can finish is +8, for both days. There will be a payout in chits, along with the Calcutta.
